

### **The Lurvey Landscape Supply Partner Advantage**

At Lurvey Landscape Supply, we offer much more than wholesale landscape supplies. By partnering with your business, we become part of your team. Gaining this large network of technical knowledge and product availability allows your company to become more profitable with less effort. Consider us your personal “Google” for landscape supplies – put in your request and we can provide multiple solutions to fit your specific needs. You are not purchasing from just sales people. We are nurserymen, arborists, contractors, designers and certified installers with well over 200 years of combined experience in our profession. Each of our staff members is also a Product Specialist; responsible for researching, acquiring and maintaining the highest quality inventory. Our goal is nothing less than to deliver the vision, products and results you are looking for. Our immediate inventory availability is derived from over 200 nurseries, stone quarries and manufacturers; local, national and across the globe. We measure our success by your success. Please visit or call YOUR Volo and Des Plaines branches, get familiar with YOUR showroom and inventory and together WE will build a successful and profitable relationship.
