Paver and Wall Maintenance / Accessories

Cleaners

- LLS strongly recommends wearing rubber gloves, safety goggles, and protective clothing when handling cleaners and sealers
- Please read all directions and be aware of proper application techniques/ information before use.
- As with all chemicals supplied from LLS, Material Safety Data Sheets (MSDS) are available upon request

	size	Information	Wholesale	Retail
Unicare #1 - Oil/Dirt Remover	1 quart	<u>Removes motor oil, grease(barbecue), and ground in dirt on concrete pavers and other concrete surfaces.</u> Oil/dirt remover dissolves, dislodges, and encapsulates oil, to ensure thorough cleaning, without leaving any oily film after rinsing. Wet area with water first.		
Unicare #2 - Efflorescence Remover	1 gallon	<u>Specially formulated to dissolve efflorescence and remove ground-in dirt on concrete pavers and other concrete surfaces,</u> without discoloring or damaging surfaces. It cleans evenly, and enables the sealant to better penetrate the material to be treated. Wet area with water first and never let Efflorescence Remover dry on surfaces. 1 gal diluted w/4 gal water covers approx 150 -200 sq ft.		
Unicare #3 - Rust Remover	1 quart	<u>Cleans rust from concrete pavers and other concrete surfaces,</u> without discoloring the surface. Wet area with water first.		
Unicare #4 - Paint/Tar/Rubber Remover	1 quart	<u>Dissolves paint, tar or bitumen, rubber, and chewing gum,</u> from paving stones, concrete, and masonry. This product will remove any sealer. Wet area with water first.		
Prosoco PaverKare Cleaner/ Brightener	1 gallon 5 gallon	Improves color uniformity while cleaning tough stains. <u>Effective for remedial and maintenance cleaning, non-etching removes mud and rust stains, efflorescence, hard-water scaling and more.</u> Also improves penetration and bond of water and stain repellent treatments.		
Prosoco PaverKare Limestone Restorer	1 gallon	Concentrated <u>acidic cleaner for unpolished limestone, concrete and cast stone surfaces.</u> Safely removes atmospheric dirt, mildew and many other surface stains without risk of bleaching or discoloration. Ideal for lightly to moderately soiled surfaces. Limestone Restorer is safer and easier to use than conventional acidic or abrasive cleaning systems. Contains no hydrofluoric acid. Approximate coverage 100-250 sq. ft. per. gallon.		
Prosoco Paverkare Fast Acting Stripper	1 gallon	Prosoco Fast Acting Stripper is a thixotropic <u>stripping compound designed for removing coatings , sealers, and epoxies from masonry, wood and metal surfaces.</u> It also removes oil, grease and waxes from concrete decks, tile, and terrazzo floors. Specially formulated for removal of high strength paints and coatings such as, epoxies, polyurethanes, and floor enamels. Additionally will dissolves most spray paint, marking pen, lacquers, and other graffiti. Fast Acting Stripper emulsifies in water and may be rinsed with cold water, hot water or steam. Approximate coverage 50-75 sq. ft. per. gallon.		
Prosoco Paverkare Vana Trol Mortar Cleaner	1 gallon	Prosoco Vana Trol is a concentrated acidic cleaner for new masonry surfaces that are subject to vanadium, magnesium and other metallic stains. Vana Trol is deigned to simplify rinsing and reduces potential for efflorescence. Clings to masonry surface, and softens excess mortar and job dirt. Approximate coverage 600-900 sq. ft. per. gallon.		

Sealers

- LLS strongly recommends wearing rubber gloves, safety goggles, and protective clothing when handling cleaners and sealers
- Please read all directions and be aware of proper application techniques/ information before use.
- As with all chemicals supplied from LLS, Material Safety Data Sheets (MSDS) are available upon request

	size	Information	Wholesale	Retail
Prosoco Pavekare Paver Enhancer	1 gallon 5 gallon	Prosoco Paver Enhancer is a solvent-based blend of high-quality siloxanes modified to provide excellent water repellency and color enhancement to interlocking concrete, fired clay, porous tile and many types of natural stone surfaces. Paver Enhancer penetrates and reacts with the surface to form a chemical bond, providing long-term durability, alkali resistance and superior breath ability.		
Unicare Wet-Look Repellant Sealer	1 gallon 5 gallon 55 gallon	Seals & protects pavers, slabs, and other concrete surfaces. Unicare Wet-Look is a solvent-based thermolastic acrylic protective sealant for paving stones. It enhances the original color and gives pavers a 'wet' look. Approximate coverage 80-100 sq. ft per gallon.		
Surebond Joint Sand Stabilizing 1300 Sealer	1 gallon 5 gallon 55 gallon	Surebond Joint Stabilizing Sealer is an epoxy modified, single component VOC, EPA compliant, solvent-free, penetrating sealer that provides protection to interlocking paving stone installations against salt spray, acid rain, food and beverage stains, and other oxidizers. It binds joint sand together to ensure the integrity of the pavements by forming a homogeneous, flexible pavement that stops erosion or joint sand failures in large paver installations. This sealer is also used to seal retaining walls and for concrete and aggregate and split-face stone to protect against staining, salt spray and acid rain damage and discoloration for architectural, industrial, and residential installations. Approximate coverage 100-150 sq. ft. per gallon.		
Prosoco Pavekare Sand Joint Stabilizer Sealer	1 gallon 5 gallon	Prosoco Sand Joint Sand Stabilizer controls erosion of loose sand joint commonly employed with interlocking concrete pavers, clay pavers, natural stone or decorative concrete paving. This durable blended polymer consolidates loose sand joints and protects treated paving from water penetration and related staining. Dry-laid paver surfaces treated with Sand Joint Stabilizer resist weed growth and are easier to maintain. Approximate coverage 100-150 sq. ft. per gallon.		
Prosoco Pavekare Natural Stone Treatment	1 gallon 5 gallon	Prosoco Natural Stone Treatment is a modified siloxane water repellent developed for limestone, bluestone, marble and most other traditional masonry surfaces. Natural Stone Treatment penetrated deeply to provide long-lasting protection without altering the natural appearance of the substrate. It is modified for effectiveness on most limestone, marble and other calcareous surfaces. This product provides water repellent protection superior to more common silane, siloxane, acrylic or metallic stearate water repellents. Approximate coverage 100-175 sq. ft. per gallon.		
Prosoco Pavekare SLX100 Water & Oil Repellent	1 gallon	Prosoco SLX100 Water Repellent is deep-penetrating, combines water and oil repellency on most substrates to prevent staining by waterborne and oily substances, & prevents food stains. Used often for countertop applications. This modified "neat" silane system offers invisible protection and low volatility. SLX100 allows for maximum penetration at coverage rates higher than that of conventional silanes. Depth of penetration is controlled by the application rate. Ideal for protecting granite and other dense, color-sensitive surfaces. Won't create color change and does not trap moisture. Approximate coverage 150-300 sq., ft. per gallon.		

Paver and Wall Maintenance / Accessories

Jointing Sands/Chips

- LLS strongly recommends wearing rubber gloves, safety goggles, and protective clothing when handling cleaners and sealers.
- Please read all directions and be aware of proper application techniques/ information before use.
- As with all chemicals supplied from LLS, Material Safety Data Sheets (MSDS) are available upon request.
- Full Pallet Pricing qualifies for an additional 5% discount in addition to your Earned Volume Discount (EVD).
