

Cleaners

- LLS strongly recommends wearing rubber gloves, safety goggles, and protective clothing when handling cleaners and sealers
- Please read all directions and be aware of proper application techniques/ information before use.
- As with all chemicals supplied from LLS, Material Safety Data Sheets (MSDS) are available upon request

	Size	Information
Unicare #1 - Oil/Dirt Remover	1 quart	<u>Removes motor oil, grease(barbecue), and ground in dirt on concrete pavers and other concrete surfaces.</u> Oil/dirt remover dissolves, dislodges, and encapsulates oil, to ensure thorough cleaning, without leaving any oily film after rinsing. Wet area with water first.
Unicare #2 - Efflorescence Remover	1 gallon	<u>Specially formulated to dissolve efflorescence and remove ground-in dirt on concrete pavers and other concrete surfaces,</u> without discoloring or damaging surfaces. It cleans evenly, and enables the sealant to better penetrate the material to be treated. Wet area with water first and never let Efflorescence Remover dry on surfaces. 1 gal diluted with 4 gal water covers approx 150 -200 sq.ft.
Unicare #3 - Rust Remover	1 quart	<u>Cleans rust from concrete pavers and other concrete surfaces,</u> without discoloring the surface. Wet area with water first.
Unicare #4 - Paint/Tar/Rubber Remover	1 quart	<u>Dissolves paint, tar or bitumen, rubber, and chewing gum,</u> from paving stones, concrete, and masonry. This product will remove any sealer. Wet area with water first.
Prosoco PaverKare Cleaner/ Brightener	1 gallon 5 gallon	Improves color uniformity while cleaning tough stains. <u>Effective for remedial and maintenance cleaning, non-etching removes mud and rust stains, efflorescence, hard-water scaling and more.</u> Also improves penetration and bond of water and stain repellent treatments.
Prosoco PaverKare Limestone Restorer	1 gallon	Concentrated <u>acidic cleaner for unpolished limestone, concrete and cast stone surfaces.</u> Safely removes atmospheric dirt, mildew and many other surface stains without risk of bleaching or discoloration. Ideal for lightly to moderately soiled surfaces. Limestone Restorer is safer and easier to use than conventional acidic or abrasive cleaning systems. Contains no hydrofluoric acid. Approximate coverage 100-250 sq.ft. per. gallon.
Prosoco Paverkare Fast Acting Stripper	1 gallon	Prosoco Fast Acting Stripper is a thixotropic <u>stripping compound designed for removing coatings , sealers, and epoxies from masonry, wood and metal surfaces.</u> It also removes oil, grease and waxes from concrete decks, tile, and terrazzo floors. Specially formulated for removal of high strength paints and coatings such as, epoxies, polyurethanes, and floor enamels. Additionally will dissolves most spray paint, marking pen, lacquers, and other graffiti. Fast Acting Stripper emulsifies in water and may be rinsed with cold water, hot water or steam. Approximate coverage 50-75 sq.ft. per. gallon.
Prosoco Paverkare Vana Trol Mortar Cleaner	1 gallon	Prosoco Vana Trol is a <u>concentrated acidic cleaner for new masonry surfaces</u> that are subject to vanadium, magnesium and other metallic stains. Vana Trol is deigned to simplify rinsing and reduces potential for efflorescence. Clings to masonry surface, and <u>softens excess mortar and job dirt.</u> Approximate coverage 600-900 sq.ft. per. gallon.
